XXXIst General Assembly
International Astronomical Union
IAUGA 2022
August 2 (Tue) - 11 (Thu), 2022 | BECCO, Busan, Rep. of Korea

| | | | | |
|---|-------------------------|--|--|--|
|  <p>Live Streaming</p> | <p>e-Poster Gallery</p> |  <p>Session VOD</p> |  <p>Sponsors</p> |  <p>Networking Lounge</p> |
| | <p>e-talk Gallery</p> |  <p>Association</p> |  <p>Participant Profile</p> |  <p>Session Bookmark</p> |

You are on the main page of IAUGA 2022 Meeting Platform.

4. Click to enter:

Sessions in progress

The navigation menu features several options: 'Live Streaming' (highlighted with a green border and an arrow from the 'Sessions in progress' text), 'e-Poster Gallery' (highlighted with a blue border and an arrow from the 'e-Poster & e-Talk Galleries' text), 'e-Talk Gallery', 'Session VOD', 'Sponsors', 'Networking Lounge', 'Abstract Book', 'Participant Profile', and 'Session Bookmark'. Each option is represented by a white box with a blue border and a corresponding icon.

When you click “live streaming,” you will see the session rooms in progress. Click “ENTER” to join.

Program [X]

Aug 2 (Tue)

| Auditorium | | |
|------------|--------|---------------|
| Rm 101 | Rm 103 | Rm 104 |
| Rm 106 | Rm 108 | Rm 109 |
| Rm 201 | Rm 202 | Rm 205 |

10:30 ~ 12:00
IAUS 372-1 - The Era of Multi-Messenger Solar Physics

10:30 ~ 11:00
Parker Solar Probe in the Multi-Spacecraft Era On Air

Robert Allen AB
Johns Hopkins Applied Physics Lab,
United States of America

11:00 ~ 11:30
Recent Results of Solar Microwave Imaging Spectroscopy

Bin Chen AB
New Jersey Institute of Technology,
United States of America

11:30 ~ 12:00
The Aditya-L1 Mission of the Indian Space Research Organization

Durgesh Tripathi AB
IUCAA,
India

13:30 ~ 15:00
IAUS 372-2 - The Era of Multi-Messenger Solar Physics

10:30 ~ 12:00
IAUS 369-1 - The Dawn of Cosmology & Multi-Messenger Studies with Fast Radio Bursts

10:30 ~ 10:45
Recent results from FRB surveys On Air
Evan Keane
Trinity College Dublin, Ireland AB

10:45 ~ 11:00
Fast Radio Bursts with ASKAP - in 3 acts AB
Keith Bannister
CSIRO Australia Telescope National Facility, Australia

11:00 ~ 11:15
Pinpointing FRBs in space and time: A study of localised FRBs from MeerTRAP AB
Kaustubh Rajwade
ASTRON, Netherlands Institute for Radio Astronomy, Netherlands

11:15 ~ 11:30
Pinpointing repeating FRBs with EVN-PRECISE AB
Franz Kirsten
ASTRON, Chalmers University of Technology, Sweden

Click “Q&A” to raise a question when the session is in progress*.

*Q&A after the completion of the session may be continued at slack channel.

Q&A

Send a question and it will be forwarded to the session chair and speaker.
* Please write down the name of speaker you want to ask.
Ex) Question to Prof. 000

Please write the questions in English. SEND

Go to Slack
[IAUGA 2022 Networking Lounge]

Bookmark sessions you're interested in*

***You will receive a notification when your bookmarked session starts**

The screenshot shows a grid of navigation options on the IAUGA 2022 website. The options are: Live Streaming, e-Poster Gallery, Session VOD, Sponsors, e-Talk Gallery, Abstract Book, and Participant Profile. Two additional options are shown in a separate column on the right: 'Networking Lounge' (highlighted with a green border) and 'Session Bookmark' (highlighted with a red border). A green arrow points from the 'Networking Lounge' icon to the text 'Go to Slack [IAUGA 2022 Networking Lounge]', and a red arrow points from the 'Session Bookmark' icon to the text 'Bookmark sessions you're interested in*'. The background of the website is a cityscape at night.

Any questions regarding the meeting platform, please leave your message on slack help desk.
